# CISL's Ibero-American Green Growth Group

*Catalysing business leadership ahead of COP30*

# Who is CISL?

We are an impact-led institute within the University of Cambridge that **activates leadership globally for people, nature and climate**. Through our global network and hubs in Cambridge, Cape Town and Brussels, we work with leaders and innovators across business, finance and government to accelerate action for a sustainable future.

Trusted since 1988 for our rigour and pioneering commitment to learning and collaboration, **we create safe spaces to challenge and support those with the power to act**.

# The Cambridge Institute for Sustainability Leadership

We activate leadership globally to transform economies for people, nature and climate

## Foresight

Developing pioneering ideas, research and resources for better decision-making and system design

## Education

Empowering individuals and organisations to lead change at scale

## Convening

Building transformative alliances across business, finance, and policy

## Innovation

Catalysing entrepreneurial leadership to accelerate solutions to global challenges

Accelerating a sustainable transition for *people, nature* and *climate*

## Network

Our global network of over 40,000 leaders and innovators takes individual, collaborative and collective action to accelerate transformation for sustainable societies and economies.

His Majesty King Charles III is CISL's Royal Founding Patron and has inspired and supported many of the Institute's initiatives, during his time as the Prince of Wales.

Cambridge, Cape Town and Brussels

# Convening

Building transformative alliances across business, finance, and policy

## Our Corporate Leaders Groups:

Cross-sectoral business voices, supporting policy action for a sustainable economy.

## Our Centre for Sustainable Finance:

Fostering thought leadership and business practice collaborations to reshape the financial services sector.

## Our Aviation Impact Accelerator:

Working together we have developed a global network of aviation experts to accelerate the journey to sustainable aviation.

## Multi-stakeholder alliances:

We are part of multiple networks and alliances, enabling us to expand the reach and impact of our work, giving us valuable insight and influence into national and international debates.
