

MOSCOW INTERNATIONAL UNIVERSITY (MIU) -

**THE FIRST INDEPENDENT UNIVERSITY
IN THE NEWEST HISTORY OF RUSSIA**

The bottom right corner of the slide is decorated with several overlapping geometric shapes, including squares and triangles, in various shades of gray and brown, creating a modern, abstract design.

FOUNDERS:

The decision to create the International University was made in August 1991. President of the USSR MS. GORBACHEV and US President George Bush (senior) agreed on a joint educational project-the creation of a Soviet-American university.

At the end of the same year, the relevant documents were signed by the President of Russia B.N. YELTSIN. The new university began to be called the International University in Moscow.

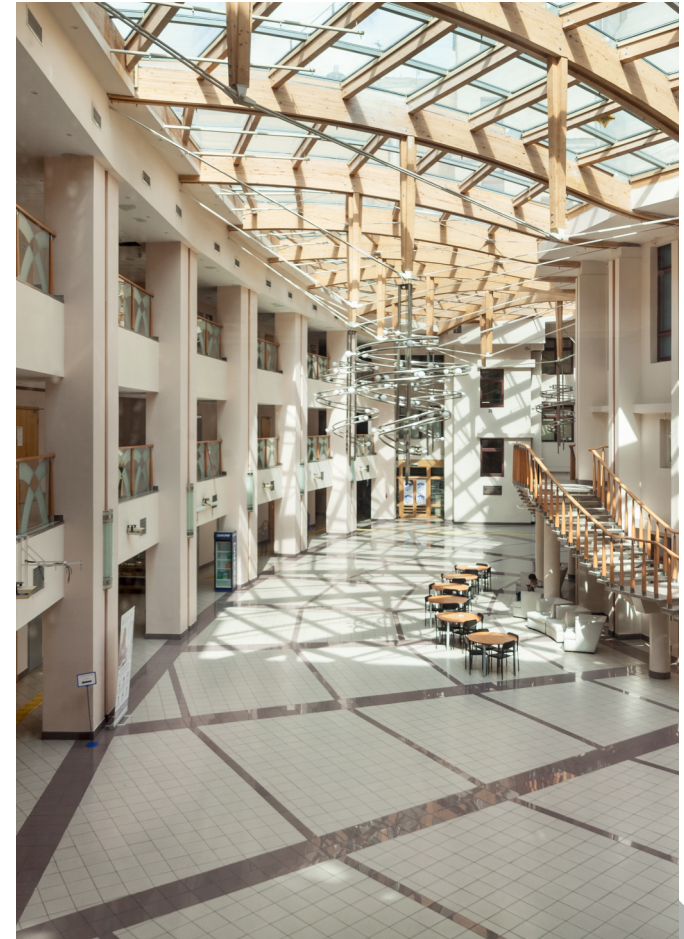

The founder and Chairman of the Council of the International University in Moscow - Professor G.H. Popov, a famous Russian economist, is a prominent politician, the first mayor of Moscow.

Today, Moscow International University is a powerful educational, scientific and consulting complex that implements higher education programs of economic, managerial and humanitarian profile at all levels.

THE STRUCTURE OF MIU INCLUDES:

- Lyceum.
- Institute for Management of Large Cities, Business and Law.
- Humanitarian Institute.
- Institute for Continuing Education.
- Higher School of Business and Management.

GRANTS OF THE MOSCOW GOVERNMENT

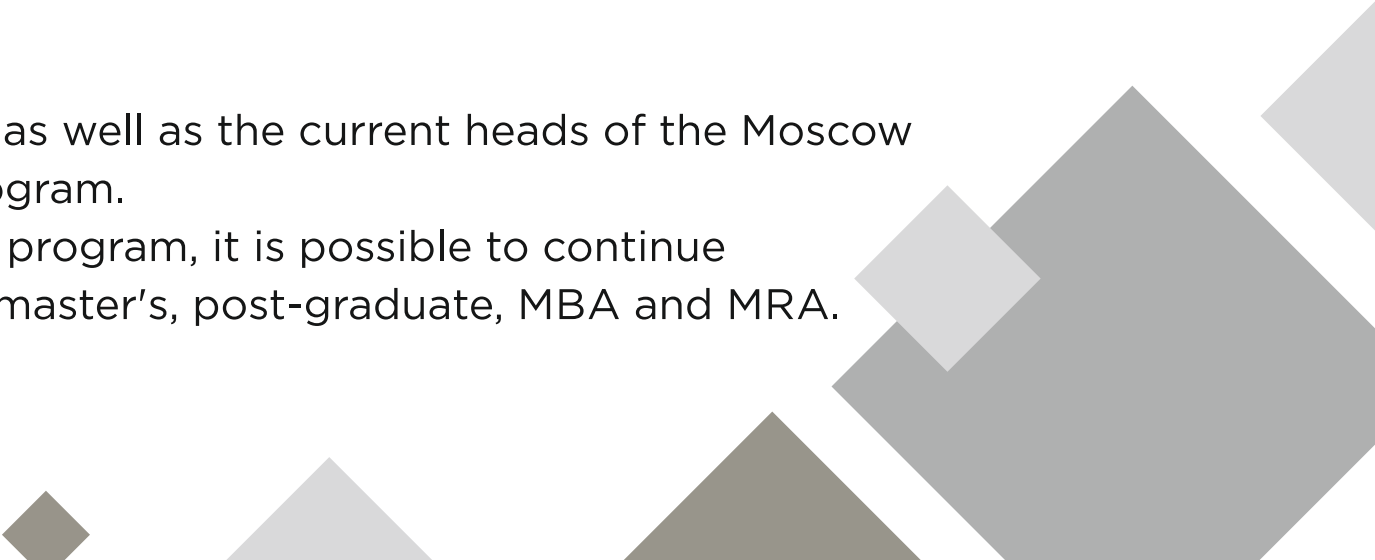

Every year Moscow International University conducts a competitive recruitment for a special bachelor's program in the field of preparation "State and municipal management". The program has been implemented for more than 15 years by the only faculty in Russia "Management of large cities", established in 2002 on the initiative of the Moscow City Administration. More than 1200 highly qualified specialists have been trained so far.

UNIQUE PROGRAM FEATURES:

- Targeted training for work in the Moscow government with subsequent employment in the city structures - the mayor's office, the government, prefectures, councils;
- Realization at the expense of the grant of the Moscow government, giving an opportunity of free-of-charge training during all four years.

Leading teachers of the University, as well as the current heads of the Moscow Government are involved in the program.

Upon completion of the Bachelor's program, it is possible to continue studying at higher level programs: master's, post-graduate, MBA and MRA.
